WELCOME TO OUR PRESENTATION

Thank you for taking the time out of your busy schedule to view our presentation!

Our purpose is to introduce you to a service that is needed by most Americans and up till now, only the very rich have had access to it. The service is also what makes the opportunity so great!

Please sit back and enjoy the presentation. You'll likely be thinking of people you know who could use this powerful & inexpensive service, just like you.

To save time, please hold any questions until the end of the presentation.
If we don't cover your questions, please get with us afterwards and we will be happy to answer any questions you may have. If the person who invited you is not here and you have their information, we will help you with the paperwork and you will be signed up as their new recruit and or member.

Please turn off your cell phone and pager so as not to interrupt the meeting.

We welcome you back to the upcoming presentations.
When you become an Associate, you may invite as many guests as you like at no charge.
Associates pay \$5 per person to defray meeting room, equipment, and material costs, etc.
First time guests are free. Anytime after that they need to pay \$5.

We hope you enjoy the presentation and find this business to be what you have been looking for!
